

## Sydney Scherr's Student Supply List

Working toolbox for of usual enameling and metal work materials

20 gauge fine silver

Favorite Japanese or Soyer enamels (or colors that work with images you have collected)

- Soyer enamels – [www.bovano.com](http://www.bovano.com)
- Japanese Enamels – [mackenamels@gmail.com](mailto:mackenamels@gmail.com)

Fine silver wire and/or 18k, 22k, or 24k cloisonné wire

Fine silver and fine gold foils

Small sheet of Plexiglass, ¼" thick, 3 x 3" will be enough. Don't buy cheap acrylic sheet, get brand name

Stoning supplies: recommend diamond sponge sets

Images of cool stuff to use under the microscope
